### ECONOMIC DEVELOPMENT PARTNERSHIP

The Township Council has agreed to join the newly formed St. Lawrence Corridor Economic Development Commission with hopes to attract more industrial and commercial business to the region. The Commission is comprised of the Townships of Leeds and The Thousand Islands, Front of Yonge, Elizabethtown-Kitley, the City of Brockville, Augusta Township, the Town of Prescott and the Township of Edwardsburg/Cardinal. It will work closely with the Economic Development department at the United Counties of Leeds and Grenville. In addition, Front of Yonge looks forward to working with the Brockville and Area Chamber of Commerce and the Counties in attracting more tourism.

### TAX RELIEF FOR SENIORS AND PEOPLE WITH DISABILITIES

The United Counties of Leeds and Grenville has a program designed to help low income seniors and those with disabilities with a partial property tax relief. For those who qualify, a portion of property tax will be set aside with an agreement to repay the municipality when the person no longer qualifies or the property is sold. Applications and more detailed information can be obtained by contacting the finance department at the Counties.

### FINAL TAX BILLS

The first installment of the final 2017 tax bill is due June 27<sup>th</sup>. The second installment of the final 2017 tax bill is due September 27<sup>th</sup>. Reminder notices will NOT be sent out for the second installment. Failure to receive a tax bill in the mail does not excuse the taxpayer from the responsibility of payment, nor does it relieve the liability of penalty for late payment. When using online or telephone banking, it's important to make payments at least 3 business days prior to the tax due date in order to meet payment deadlines.

### BROWN'S BAY PASSES

The 2017 Brown's Bay day passes are now available at the Township Office. The cost per pass is \$54.00 (20% discount from regular price). Payment can be made by debit, cash or cheque, payable to Front of Yonge Township.
