

COMMERCIAL BUILDING FAÇADE PROGRAM

In 2018, the Corporation of the Township of Front of Yonge received funds through the Main Street Revitalization Initiative. As part of this funding program, Council determined that a total of \$5,000 would be set aside to assist commercial properties located within the Village of Mallorytown with façade improvements.

This is a cost-share program. Applicants are to provide at least 50% of project costs. Up to a maximum of \$2,500 will be available to each successful applicant from the Municipality.

The following criteria must be met in order for your project to be considered under this program:

1. Commercial property located within the Village of Mallorytown.
2. Only projects that improve the building's façade will be considered, including but not limited to:
 - a. parking lot lighting
 - b. signage
 - c. accessibility improvements
 - d. landscaping
3. Projects that have already commenced do not qualify for this program.

Applications will be received until June 1, 2019. Applicants must submit full project costing breakdown, including copies of any estimates/quotes received that are applicable to the project.

Projects will receive approved funds upon project completion. **Projects must be completed no later than March 1, 2020.**
