Schedule A		

SECTION 1 – APPLICATION & INTERPRETATION

1.1 Title of By-law

This By-law may be cited as the “Zoning By-law” of the Township of Front of Yonge.

1.2 Scope of By-law

1. The provisions of this By-law shall apply to all lands within the geographic limits of the Corporation of Township of Front of Yonge, as shown on Schedule A attached hereto. This By-law shall also apply to any lands not shown on the Schedule created through the filling of water bodies, alteration of shorelines or other means, as well as to any portion of the bed of any water body where a license of occupation or lease has been issued by a relevant approval authority. Such areas shall not be used for any purpose other than a conservation use unless the Corporation has zoned such areas through an amendment to this By-law, regardless of whether or not required approvals from the relevant approval authorities have been obtained.
2. No building or structure shall hereafter be erected, altered or enlarged, nor shall the use of any building, structure or lot hereafter be changed, in whole or in part, except in conformity with the provisions of this By-law.
3. Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, provided that it continues to be used for such purpose.
4. Nothing in this By-law shall prevent the erection of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Chief Building Official prior to the date of passing of this By-law, provided that:
 - When the building or structure is erected, it continues to be used for the purpose for which the building permit was issued; and
 - The building or structure is commenced within 6 months of the date of the passing of this By-law and is completed within a reasonable time of the commencement.
5. This By-law shall not be effective to reduce or mitigate any restrictions imposed by a governmental authority having jurisdiction to make such restrictions.
6. All references to Provincial Acts or Regulations shall refer to the current Act or Regulation. All references to the *Planning Act* shall refer to the *Planning Act, R.S.O., 1990, Chapter P. 13*, as amended.

1.3 Interpretation of By-law

1. In this By-law, unless the context requires otherwise, words used in the singular shall include the plural and words used in the plural shall include the singular.
2. In this By-law, the word “shall” is mandatory and “may” is permissive.
3. In this By-law, unless the context requires otherwise, the word “used” shall include

“designed to be used” and “arranged to be used”, and the word “occupied” shall include “designed to be occupied” and “arranged to be occupied”.

1.4 Schedules to By-law

The following schedule which is attached hereto is hereby incorporated into and is declared to form part of this By-law to the same extent as if fully described herein:

- Schedule A

1.5 Zoning Administrator

This By-law shall be administered by the Zoning Administrator.

1.6 Issuance of Building Permits, Certificates and Licenses

1. Notwithstanding any provisions of the Building By-law or any other by-law of the Corporation to the contrary, no building permit, certificate or license shall be issued where the proposed building, structure or use would be in violation of any of the provisions of this By-law.
2. Notwithstanding the generality of (1) above, where the approval of another agency or authority is required, this shall mean that the approval of such shall be obtained by the applicant and submitted to the Zoning Administrator at such time as an application is made for a building permit.

1.7 Certificate of Occupancy

No change shall be made in the type of use of land, buildings or structures within any zone without first obtaining a Certificate of Occupancy from the Corporation, pursuant to the Township’s Occupancy Permit By-law, as applicable.

1.8 Request for Amendment to Zoning By-law

Every request for an amendment to this Zoning By-law shall be accompanied by the Corporation’s “Application for an Amendment to Zoning By-law”.

1.9 Inspection

The Zoning Administrator, the Chief Building Official or any other officer or employee of the Corporation acting under the direction of Council is hereby authorized to enter at all reasonable hours upon any property or premises for the purpose of carrying out his duties under this By-law. Notwithstanding the foregoing, a dwelling unit shall not be entered without the consent of the occupant except under the authority of a search warrant.

1.10 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine in accordance with the provisions of the *Planning Act* and every penalty shall be recoverable under the *Provincial Offences Act*.

1.11 Remedies

Where any building or structure is to be erected or altered, or any part thereof is to be used, or any lot is to be used, in contravention of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Planning Act* or the *Municipal Act*.

1.12 Validity

If any section, clause or provision of this By-law, including anything contained in Schedule A attached hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the section, clause or provision(s) so declared to be invalid. It is hereby declared to be the intention that all the remaining sections, clauses or provisions of this By-law shall remain in full force and effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

1.13 Typographical and Formatting Modifications

No amendment to this By-law shall be required in order for the Corporation to make typographical or formatting modifications such as spelling, punctuation and section numbering changes where, in the opinion of the Corporation, such corrections do not affect the intent of the By-law.

1.14 Existing By-laws

All other by-laws of the Corporation enacted pursuant to Section 34 or predecessors thereof of the *Planning Act* are hereby repealed and, without limiting the generality of the foregoing, existing by-laws that are repealed include:

- Comprehensive Zoning By-law No. 30-91;
- All by-laws which amend the foregoing by-law.

SECTION 2 - DEFINITIONS

For the purpose of this by-law, the definitions and interpretations in this section shall govern.

FUNERAL HOME shall mean an establishment with facilities for the preparation of the dead for burial or cremation, for the viewing of the body, and for holding funeral services.

GARDEN CENTRE shall mean an establishment primarily used for the retail sale of gardening equipment, products and planting materials, including greenhouses for the cultivation of such materials.

GARDEN SUITE shall mean a portable detached dwelling located on the same lot as the principal dwelling which provides for the housing needs of the family residing in the principal dwelling and for which a temporary use by-law has been adopted, pursuant to the provisions of the *Planning Act*.

GOLF COURSE shall mean a public or private area operated for the purpose of playing golf and includes a driving range and accessory uses such as a club house, a putting green and similar uses.

GRADE shall mean the median elevation between the highest and lowest points of the finished surface of the ground (measured at the base of the building or structure), but exclusive of any embankment in lieu of steps.

GROUP HOME shall mean a single dwelling which is occupied by 3 to 10 unrelated residents who, by reason of their emotional, mental, social or physical condition or legal status, require a supervised family living arrangement for their well-being. A group home may be occupied as the residence by the staff or receiving family. A group home does not include foster homes, boarding houses or other uses defined herein.

HEAVY EQUIPMENT SALES OR RENTAL ESTABLISHMENT shall mean an establishment having as its main use the storage of heavy trucks and/or excavation or construction equipment for sale, rent or lease. Accessory uses may include facilities for the repair or maintenance of such heavy equipment.

HEIGHT, when used with reference to a building, shall mean the vertical distance between grade and:

- The highest point of the roof surface on a flat roof;
- The deck line on a mansard roof;
- The mean level between the eaves and ridge of a gable, hip or gambrel roof.

HIGH WATER MARK shall mean the mark made on the shore or bank of a water body through the action of water, which action has continued over such a long period of time that it has created a difference between the character of the vegetation or soil below the mark and that above the mark, except that in the case of the St. Lawrence River the high water mark shall be the upper controlled water elevation.

HOME-BASED BUSINESS shall mean an occupation, trade, business, profession or craft conducted as an accessory use to the use of a dwelling by the dwelling occupant(s) and includes the following:

- Instruction of students;
- Respite care or day care, provided that no residential accommodation is provided;
- Occupations in the areas of a personal service, a service outlet or a tradesperson's establishment, all as defined in this By-law;
- Office for conducting a business or profession;
- Studio of an artist, artisan or craftsman.

INDUSTRIAL FACILITY shall mean an establishment not otherwise defined in this By-law that is primarily engaged in the assembly, fabrication, manufacturing, processing, treatment, recycling or packaging of articles, components, materials or products.

INDUSTRIAL USES shall refer to lands, buildings, or structures used in conjunction with any process carried on in the course of trade or business for or incidental to any of the following purposes:

- The making of any article of any description, or part of any article;
- The altering, repairing, ornamenting, furnishing, cleaning, washing, packing, canning, refurbishing or adapting for sale, or breaking up or demolition of any article;
- The obtaining, dressing, or treating of minerals or aggregates.

INSTRUCTIONAL FACILITY shall mean a business that provides instruction or training in art, hobby, skill, or trade and includes programs in exercise, dance, music, arts and crafts, computer operation, driving, and other similar activities.

KENNEL shall mean a building or structure where animals other than livestock are bred, boarded or trained for financial compensation.

LANE shall mean a driveway providing access from within a property to a public street.

LIVESTOCK FACILITIES shall mean livestock and poultry barns, buildings or structures where agricultural animals are housed and shall include feed lots and associated manure storage.

LOADING SPACE shall mean a space or bay located on a lot which is used or intended to be used for the temporary parking of any commercial vehicle while loading or unloading goods, merchandise or materials used in connection with the use of the lot or any building thereon.

LOT shall mean a parcel or tract of land which is capable of being legally conveyed in accordance with the provisions of the *Planning Act*.

- **CORNER LOT** shall mean a lot, other than a waterfront lot as defined herein, situated at the intersection of two streets, of which two adjacent sides that abut the intersecting streets contain an angle of not more than 135 degrees.
- **INTERIOR LOT** shall mean a lot, other than a waterfront lot as defined herein, situated between adjacent lots and which has frontage on one street.
- **ISLAND LOT** shall mean a waterfront lot that consists of an island or part of an island.
- **THROUGH LOT** shall mean a lot, other than a waterfront lot as defined herein, bounded on two opposite sides by streets, provided that if any lot qualifies as being both a corner lot and a through lot, the lot shall be deemed a corner lot for the purposes of this By-law.
- **WATERFRONT LOT** shall mean a lot which abuts a shoreline but which does not abut an improved street or a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement registered on the title to the lot.

LOT AREA shall mean the total horizontal area within the lot lines of a lot.

LOT COVERAGE shall mean that portion of the area of a lot covered by all main and accessory buildings, porches, decks, swimming pools and similar features, but excluding automobile service station pump island canopies, entrance canopies for non-residential buildings, and balconies and overhanging eaves which are more than 2.5 m above finished grade.

LOT FRONTAGE shall mean the width of a lot measured between the intersections of the side lot lines with a line that is continuously 6 m back from and parallel to the front lot line.

LOT LINE shall mean any boundary of a lot or the vertical projection thereof.

- **FRONT LOT LINE** shall mean the following:
 - In the case of an interior lot, the line dividing the lot from the street;
 - In the case of a corner lot or through lot, the shorter lot line abutting a street, or where access is gained to the lot regardless of the length of the line.
 - In the case of a waterfront lot, the high water mark shall be deemed to be the front lot line.
- **REAR LOT LINE** shall mean in the case of a lot having four or more lot lines, the lot line farthest from and opposite to the front lot line. If a lot has less than four lot lines, there shall be no rear lot line.
- **SIDE LOT LINE** shall mean a lot line other than a front or rear lot line.

MARINA shall mean an establishment or premises located on a water body and containing facilities where boats and boat accessories are berthed, stored, serviced, repaired, maintained or

kept for sale or rent and where facilities for the sale of marine fuels and lubricants, as well as the parking of customers' vehicles, may be provided.

MARINE FACILITY shall mean an accessory building or structure which is used to place a boat into or out of a water body, or used to moor, berth or store a boat. This definition may include a boat launching ramp, boat lift, dock, boathouse, boatport, slip, but shall not include any building used for human habitation nor any marina or boat service, repair or sales facility.

MOBILE HOME shall mean a prefabricated building which bears a CSA Z240 approval and which is designed to be towed on its own chassis (notwithstanding that its running gear is or may be removed), designed and equipped for year round occupancy and containing therein facilities for cooking or for the installation of cooking equipment, as well as sanitary facilities including a flush toilet and shower or bathtub. This definition shall not include a travel trailer or tent trailer or trailer otherwise defined in this By-law.

MOBILE HOME PARK shall mean land which has been provided and designed for the location of two or more occupied mobile homes.

MOBILE HOME SITE shall mean a portion of a mobile home park designed to accommodate one mobile home.

NON-COMPLYING when applied to a use, building or structure shall mean a use, building or structure which is listed as a permitted use in the zone in which it is located but which contravenes one or more of the provisions of this By-law for the zone in which it is located, as of the date of the passing of this By-law.

NON-CONFORMING shall mean a use, building or structure which, on the date of the passing of this By-law, is not within the list of permitted uses for the zone in which it is located.

OFFICIAL PLAN shall mean the *Official Plan of the Township of Front of Yonge*, as amended.

ON-FARM DIVERSIFIED USES shall mean uses that are secondary to the principal agricultural use of the property, and are limited in area. On-farm diversified uses shall include, but are not limited to, home occupations, home industries, agri-tourism uses, and uses that produce value-added agricultural products.

ZONING shall mean the demarcation of an area into zones and the establishment of regulations to govern the use of the land within these zones and the location, bulk, height, shape, use and coverage of structures within each zone. The terms “zone provisions” and “zone requirements”

shall have a corresponding meaning.

ZONING ADMINISTRATOR shall mean the officer or employee of the Corporation charged with the duty of enforcing the provisions of this By-law.

SECTION 3 - GENERAL PROVISIONS

3.1 Accessory Uses

Except as otherwise set out in this section, accessory uses, buildings or structures shall be permitted in any zone, provided that:

1. Accessory buildings or structures shall not be used for human habitation, except as specifically permitted elsewhere in this By-law.
2. Accessory buildings shall be included for the purposes of compliance with maximum lot coverage provisions.
3. There shall be no minimum yard or water setback provisions applicable to a marine facility, except that the minimum side yard shall be 4.5 m.
4. The minimum separation distance between a detached accessory building and the main building shall be 1 m.
5. Any building or structure that is attached to the main building shall not be considered as accessory.
6. In a Residential zone, buildings or structures accessory to a residential use shall be subject to the following special provisions:
 1. The lot coverage of all accessory buildings or structures shall not exceed 10%.
 2. The maximum height of an accessory building or structure shall be 5 m.
 3. Notwithstanding the yard provisions of this By-law to the contrary, an accessory building or structure may be located in a required interior side or rear yard, provided that the minimum yard shall be 3 m, except as otherwise provided in this section for marine facilities.
7. Except as otherwise provided in this section, accessory buildings and structures shall conform to the zone provisions applicable to main buildings.

3.2 Existing Non-Complying Lots

1. Where, on the date of passing of this By-law, an existing lot has less than the minimum lot frontage, water frontage and/or lot area required by this By-law for the zone in which such lot is located, or is increased in lot frontage, water frontage and/or lot area but is still undersized, such non-complying lot may be used and a building or structure may be erected, altered or used for a purpose permitted in the zone in which it is located on the date of the passing of this By-law without the requirement to obtain relief from the applicable lot frontage, water frontage and/or lot area provisions of this By-law. This provision shall not be construed as granting relief from any other provisions of this By-law.
2. Notwithstanding the foregoing subsection, the following uses shall not be permitted on a non-complying lot:
 - A residential use on a vacant or undeveloped island lot of less than 0.8 ha in lot area;

- An agricultural use that includes the keeping of livestock on a lot of less than 2 ha in lot area.

3.3 Front Yard Reduction Within a Settlement Area

Notwithstanding any minimum front yard requirement of this By-law to the contrary, on a lot within the **Settlement Area** designation of the Official Plan, the front yard may be reduced to 3 m or the average of the front yards of existing main buildings located on the immediately adjacent lots, whichever is greater.

3.4 Frontage on an Improved Street

No lot shall be used and no building or structure shall be erected on a lot in any zone unless such lot has sufficient frontage on an improved street to provide driveway access. Notwithstanding the foregoing, this provision shall not apply to:

- A non-residential building or structure accessory to an agricultural, mineral aggregate or conservation use;
- A lot on a registered plan of subdivision and with frontage on a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement that is registered on the title to the lot;
- A lot located in a Limited Services Residential (RLS) zone;
- A lot located on an island.

3.5 Group Homes

Group homes shall be permitted in the General Residential, Rural and Institutional zones, provided that the minimum separation distance between two group homes shall be 300 m.

3.6 Height Exceptions

1. The maximum height restrictions of this By-law shall not apply to the following:

- Air conditioning, heating or similar mechanical equipment
- Antenna
- Barn
- Belfry, spire or dome associated with a place of worship
- Chimney
- Clock tower
- Electrical supply structure
- Elevator or mechanical penthouse
- Farm implement storage building
- Flag pole
- Grain elevator
- Silo
- Solar collector
- Water tower
- Wind turbine
- Wireless communications tower

2. Where the height of an antenna, wireless communications tower, water tower or wind turbine exceeds 25 m, the minimum separation distance from a dwelling on another lot shall be three times the height of such structure. For the purposes of this provision, wind turbine height shall be measured to the highest point of the area swept by the rotor blades.

3.7 Home-Based Businesses

A home-based business shall be permitted as an accessory use to a residential use in accordance with the following provisions:

1. No more than 25% or 40 m² of the floor area of the dwelling unit, whichever is lesser, shall be used for the home-based business.
2. There shall be no visible indication from the exterior of the building of the presence of the home-based business other than one non-illuminated sign not larger than 1 m².
3. There shall be no open storage of inoperative or unlicensed motor vehicles or other materials, or outdoor animal enclosures.
4. There shall be no storage of hazardous materials such as paint or other flammable, corrosive or explosive substances.
5. There shall be no direct retail sale of goods other than those produced on the premises or those which are clearly incidental to a personal service or service outlet home-based business.
6. Where instruction, respite care or day care is provided, there will be no more than six persons, other than the instructor or caregiver, in attendance at any one time. In the case of all other home-based businesses, not more than one individual client or customer shall be served at any one time.
7. A maximum of one person in addition to the dwelling occupant(s) may be employed in the home-based business, provided that the maximum number of persons employed in the home-based business shall not exceed three. For the purposes of this subsection, the number of persons shall be calculated on the basis of full-time equivalence.
8. Except in the case of lots designated Settlement Area in the Official Plan, up to 40 m² of floor area within an accessory building may be used for the home-based business, provided that:
 1. The accessory building shall be located a minimum of 15 m from the closest dwelling on another lot.
 2. The combined total floor area used for the home-based business within the accessory building and dwelling unit shall not exceed 40 m².
9. Not more than one commercial vehicle related to the home based-business shall be kept on the premises.
10. The home-based business shall not, in the opinion of the Township, change the predominantly residential character of the property or create or become a public

nuisance with regard to noise, odours, vibration, heat, traffic, lighting or other annoyance.

3.8 Loading Space Requirements

1. Number of Loading Spaces Required

Any commercial or industrial use which involves the transfer of goods, wares, merchandise or raw materials to and from the site shall provide and maintain loading facilities on the lot in accordance with the following regulations:

<u>Floor Area of Building</u>	<u>Number of Loading Spaces</u>
less than 200 m ²	0
200 m ² - 1,000 m ²	1
over 1,000 m ²	1 plus 1 additional loading space per each 1,000 m ² of floor area or part thereof

2. Loading Space Size

A required loading space shall be a minimum of 9.0 m long, 3.5 m wide and have a vertical clearance of at least 4.5 m.

3. Loading Area Surface

A loading area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

4. Cumulative Loading Requirements

Where a lot, building or structure accommodates more than one use, the loading space requirement shall be the sum of the requirements for the uses.

3.9 Lots Containing More Than One Use

Where a lot accommodates more than one use and the provisions of this By-law for the uses are different, the more restrictive provisions shall apply.

3.10 Lots Divided Into More Than One Zone

Where a lot is divided into more than one zone, each portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located.

3.11 Moving of Buildings

No building or structure shall be moved into the Township or onto any lot unless its use and location comply with this By-law.

3.12 Non-Conforming Uses and Non-Complying Uses, Buildings and Structures

1. Buildings Accessory to Non-Conforming Uses

An accessory building may be erected for an existing legal non-conforming use, provided it complies with the provisions of this By-law.

2. Change of Non-Conforming Use

A non-conforming use may not be changed to another use unless it is to a permitted use in the zone in which it is located. Pursuant to the provisions of the *Planning Act* and the Official Plan, a non-conforming use may only be changed to another non-conforming use with the permission of the Committee of Adjustment.

3. Repair, Restoration and Reconstruction of Non-Conforming Uses or Non-Complying Uses, Buildings or Structures

- A legal non-conforming or non-complying use, building or structure shall only be repaired, restored or reconstructed in accordance with the rights conveyed to legal non-conforming uses pursuant to the applicable provisions of the *Planning Act*.
- The repair, restoration or reconstruction shall not increase the height, size, volume or extent of non-compliance of the use, building or structure.

4. Replacement of Non-Complying Sewage Disposal Systems

Notwithstanding any provision of this By-law to the contrary, where a sewage disposal system was legally constructed under the regulations governing sewage disposal systems in force and effect at the time of such construction but is non-complying with respect to the water setback provisions of this By-law, the minimum water setback of any replacement system shall be the existing system's water setback or the requirements of the *Ontario Building Code*, whichever is greater.

5. Enlargements of Non-Conforming Uses

A non-conforming use may not be enlarged or extended, except with the permission of the Committee of Adjustment for the Township, pursuant to the provisions of the *Planning Act* and the Official Plan.

6. Enlargements of Non-Complying Uses, Buildings or Structures

A legal non-complying use, building or structure shall not be enlarged, except in compliance with all applicable provisions of the By-law.

3.13 Occupancy Restrictions

None of the following shall be used as a dwelling or for the purposes of human habitation:

1. Any truck, bus, coach, railway or streetcar body;
2. Any marine facility or building or structure accessory to a residential use;
3. Any recreational vehicle, travel trailer or tent trailer, except in a tourist campground or as a temporary use in accordance with Section 3.24 of this By-law.

3.14 Open Storage

Open storage shall be permitted as an accessory use to a permitted use within any zone other than a Residential zone, provided that:

1. No part of an open storage area shall be located within a minimum yard or water setback required by this By-law;
2. Open storage shall not occupy any driveway or parking or loading area required by this By-law;
3. Where open storage that is not accessory to an agricultural use is situated less than 30 m from a Residential zone, a street or a dwelling on another lot, a continuous buffer strip consisting of a berm, fence or landscaping having a minimum combined height of 1.5 m shall be provided so as to screen the open storage area from the street or dwelling. Such buffer strip shall be broken only by a driveway or walkway from the street.

3.15 Parking Requirements

1. Number of Parking Spaces Required

In any zone, the owner or occupant of any lot or building or structure erected, enlarged or changed in use after the passing of this By-law, shall provide off-street parking in accordance with the following:

<u>Type of Use</u>	<u>Number of Parking Spaces Required</u>
One and two-unit dwellings	2 parking spaces per dwelling unit, provided that 1 of the 2 required spaces may be in tandem
Dwellings of three units or more	1 parking space per dwelling unit
Mobile home park or Campground	1 parking space per site
Group home	1 parking space in addition to the applicable dwelling requirement
Home-based business	1 parking space in addition to the applicable dwelling requirement
Bed and breakfast	1 parking space per guest room in addition to the applicable dwelling requirement
Tourist Lodging Establishment	1 parking space per guest room or cabin plus 1 parking space per 20 m ² of floor area devoted to dining or meeting uses
Restaurant, banquet hall	1 parking space per 12 m ² of floor area

Place of worship or assembly	1 parking space per 12 m ² of floor area devoted to public assembly
Recreational use	1 parking space per 4 persons design capacity or 1 parking space per 20 m ² of floor area, whichever is greater
Retail store, personal service, merchandise service outlet	1 parking space per 20 m ² of floor area
Clinic	1 parking space per 20 m ² of floor area
Marina	1 parking space per boat slip or 1 parking space per 20 m ² of floor area, whichever is greater
Commercial use not defined	1 parking space per 20 m ² of floor area
Professional or business office	1 parking space per 25 m ² of floor area
School - elementary	1.5 parking spaces per classroom
School - secondary	4 parking spaces per classroom
Institutional or public use	1 parking space per 40 m ² of floor area
Industrial, warehouse or storage use	1 parking space per 70 m ² of floor area

2. More than One Use on a Lot

Where a building or lot accommodates more than one use, the number of parking spaces required shall be the sum of the requirements for each of the uses.

3. Parking Space Size and Access

Each parking space shall have minimum dimensions of 2.75 m by 6 m, except that a parking space for the physically-disabled shall have minimum dimensions of 3.7 m by 6 m. A parking space shall have unobstructed access, except where tandem parking is specifically permitted by this By-law.

4. Parking for the Physically-Disabled

Where a required parking area contains 10 or more parking spaces, reserved parking spaces for the physically-disabled shall be provided at the rate of 1 parking space for the physically-disabled per 30 required parking spaces or fraction thereof, subject to the provision of a minimum of 1 parking space for the physically-disabled.

5. Driveway Access to Parking Areas

The maximum width of any driveway shall be 9 m.

Driveways designated for two-way traffic shall have a minimum width of 6 m. One-way driveways and driveways serving only one dwelling unit shall have a minimum width

of 3 m. For portions of a driveway that directly abut a parking space, the minimum driveway width shall be as follows:

<u>Angle of Parking Space to Driveway</u>	<u>Minimum Driveway Width</u>
0 degrees	3 m
30 degrees	3.4 m
45 degrees	3.7 m
60 degrees	5.4 m
90 degrees	6 m

6. Parking Area Surface

A parking area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

7. Parking Area Location

1. Except as set out in the following subsection, required parking shall be provided on the same lot as the use.
2. In the case of an existing building the use of which is being changed to a non-residential use that has a higher parking requirement than the previous use, required parking for such non-residential use may be provided on another lot within 150 m of the existing building that it is intended to serve, provided that:
 1. No part of any such required parking area shall be permitted on another lot unless such other lot is zoned for the use with which the parking is associated.
 2. Where required parking is provided on another lot, such lot shall be under the same ownership for the duration of the use for which the parking is required.

8. Parking Requirements for Additions to Existing Buildings

Where an existing building or structure has insufficient parking spaces to comply with the provisions of this By-law, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, provided that no addition may be built and no change of use may occur within the existing building or structure, the effect of which would be to increase the extent of such deficiency.

3.16 Public Uses

1. Except in the case of lands zoned Environmental Protection – A (EP-A), any land may be used and any building or structure erected or used for the purpose of a public use other than a wireless communications tower with a height in excess of 25 m, provided that:
 - Lot coverage, setback and yard requirements of the zone in which such land, building or structure is located shall be complied with, except in the case of towers, poles, lines and transmission facilities for natural gas, electricity, cable, water, storm and sanitary sewage and wired and wireless communications.

- Antennas, towers and wind turbines in excess of 25 m in height shall comply with the dwelling separation distance provisions of Section 3.6.2.
 - Any building or structure erected or used shall be designed, maintained and used in a manner compatible with the buildings and structures permitted in the zone in which it is located.
 - Where a public use is to be located in the Environmental Protection – B (EP-B) or Flood Plain (FP) zone, Sections 13.2.3.2 and 14.1.2, respectively, shall apply.
2. A wireless communications tower with a height in excess of 25 m shall only be permitted on lands specifically zoned for such use and shall comply with the dwelling separation distance provisions of Section 3.6.2.

3.17 Residential Separation Distances from Other Land Uses

Notwithstanding any other provisions of this By-law, any new dwelling shall be located minimum distances from certain zones or land uses on other lots as follows:

- | | |
|---|--|
| • From a Class “B” pit with no excavation below the water table | 150 m |
| • From any other pit or concrete plant | 300 m |
| • From a quarry or asphalt plant | 500 m |
| • From land zoned Salvage Yard Industrial | 300 m |
| • From land zoned Disposal Industrial | 500 m |
| • From livestock facilities | As per the Minimum Distance Separation I (MDS I) formula, as issued by the Ontario Ministry of Agriculture, Food and Rural Affairs, except that MDS 1 shall not apply to new non-agricultural uses to be located on an existing lot of less than 2 ha in lot area. |
| • From a rail line | 30 m |

3.18 Second Dwelling Unit and Second Dwelling

Notwithstanding any provision of this By-law to the contrary, where a single dwelling a semi-detached dwelling or a townhouse dwelling is permitted as a principal use in a zone, or where an existing single dwelling, semi-detached dwelling or a townhouse dwelling is a legal non-conforming use as of the date of this By-law, a second dwelling unit or second dwelling, as herein defined, but not both, are permitted on the same lot in accordance with the following provisions.

1. General

- The second dwelling unit or second dwelling shall be located on a lot where the access is provided by an improved street.
- The second dwelling unit or second dwelling shall comply with the provisions of the *Building Code Act*.
- The second dwelling unit or second dwelling shall be connected to the same water supply and sewage disposal systems as the principal dwelling.
- Prior to obtaining a building permit for a second dwelling unit or a second dwelling, the applicant shall obtain a septic system approval and shall demonstrate to the satisfaction of the Township that there is a sufficient supply of well water to serve the second dwelling unit or second dwelling.

- The maximum floor area of the second dwelling unit or second dwelling shall not exceed 50% of the floor area of the principal dwelling, to a maximum of 80 m² in the Residential Zone and 95 m² in the Rural Zone.
- The second dwelling unit or second dwelling shall share the driveway entrance to the lot with the principal dwelling.
- A minimum of one parking space shall be provided for the second dwelling unit or second dwelling, in addition to the minimum parking requirements for the principal dwelling.
- The second dwelling unit or second dwelling shall be included in the calculation of lot coverage.
- The lot area and lot frontage shall be in accordance with the applicable requirements of the zone for the dwelling type.

2. Additional Provisions for Second Dwelling Unit

- The second dwelling unit shall not occupy the whole of a storey.
- The second dwelling unit shall share two of the following with the principal dwelling:
 - building entrance
 - parking area
 - outdoor amenity space
- No enlargement or extension to the principal dwelling shall be permitted unless the enlargement or extension conforms to all other applicable provisions of this By-law.

3. Additional Provisions for Second Dwelling

- An existing accessory building may be partially or fully converted to a second dwelling, except that no habitable room window shall face an interior side lot line or a rear lot line unless the existing accessory building conforms to the minimum side lot line setback and rear lot line setback as is required for the principal dwelling, as the case may be.
- A new accessory building may be constructed as a second dwelling provided that it conforms to all applicable provisions for the principal dwelling.
- The maximum permitted height of a new second dwelling shall be 5 m.
- A new accessory building which is constructed as a second dwelling shall be separated by less than 6 m from the principal dwelling on a lot zoned RU and by less than 3 m on a lot zoned RG.

3.19 Setbacks from Environmental Protection (EP-A and EP-B) Zones and Natural Heritage Designations in the Official Plan

Notwithstanding any other provisions of the By-law, the minimum setback of any building or structure from lands zoned EP in this By-law or designated Natural Heritage in the Official Plan shall be 120 m, or such lesser setback as recommended in an Environmental Impact Study undertaken to the satisfaction of the Township, provided that such less setback shall not be less than 30 m.

3.20 Sewage Disposal Systems and the Applicability of this By-law

Except in relation to water setbacks, sewage disposal systems shall not be subject to the provisions of this By-law.

3.21 Sight Triangles

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- A building, structure or use which would obstruct the visions of motorists;
- A fence or any vegetation of a height which is more than 1 m above the elevation of the centrelines of abutting streets;
- A parking area.

3.22 Shoreline Area Occupancy

Notwithstanding any provisions of this By-law to the contrary, on any lot abutting a water body and used for purposes other than a marina, a maximum of 20% or 15 m of the shoreline area, whichever is lesser, may be occupied by marine facilities, pump houses, stairs, decks, patios, gazebos and all other accessory buildings and structures. For the purposes of this section, the shoreline area shall include that portion of the lot lying within 3 m of the high water mark.

3.23 Street Setbacks

1. The following setbacks shall be required:

- | | |
|----------------------------------|--|
| • 1000 Islands Pkwy – north side | 30.48 m from the limit of the right-of-way or such lesser setback as approved by the St. Lawrence Parks Commission |
| • 1000 Islands Pkwy – south side | 45.72 m from the limit of the right-of-way or such lesser setback as approved by the St. Lawrence Parks Commission |
| • County Street | 13 m from the centre line of the right-of-way |
| • Township Street | 10 m from the centre line of the right-of-way |
| • Private right-of-way | 6 m from the limit of the right-of-way |

2. In the case of lots that abut the 1000 Islands Pkwy, required yards pursuant to the applicable Zone Provisions of this By-law shall be measured from the limit of the right-of-way.

3. In the case of lots that abut County or Township streets, required yards pursuant to the applicable Zone Provisions of this By-law shall be measured from the required setback from the centre line of the right-of-way.

3.24 Temporary Uses

The following shall be permitted in any zone, except Environmental Protection (EP) and Flood Plain (FP) zones:

- Construction facilities such as sheds, scaffolds and other structures incidental to the construction on the premises for so long as the work is in progress;

- A temporary real estate sales and/rental office;
- A travel trailer, tent trailer or recreational vehicle occupied on a temporary basis during the course of construction of a dwelling on the same lot, provided that:
 - Temporary connection to an approved on-site sewage disposal system is provided;
 - A building permit for a dwelling has been issued and remains in force;
 - The trailer or vehicle is located in accordance with the required yards and water setbacks applicable to a dwelling;
 - In no event shall the trailer or vehicle be located on the lot for a period exceeding two years from the date of issuance of the building permit.

3.25 Through Lots

On a through lot, the minimum front yard requirement shall apply to each yard abutting a street.

3.26 Water Frontage and Water Setbacks

1. Except as otherwise provided by Section 3.2, the minimum water frontage for any lot shall be 60 m.
2. Except as otherwise permitted by Sections 3.1, 3.12 and 3.29 of this By-law, the minimum water setback shall be 30 m for all buildings and structures, including sewage disposal systems but excluding the following:
 - Decks, hot tubs and gazebos which are unattached to a main building;
 - Marinas, pump houses, marine facilities and stairs.

3.27 Wayside Pits, Wayside Quarries, Portable Asphalt Plants and Portable Concrete Plants

Any lands may be used for the purposes of wayside pits, wayside quarries, portable concrete plants and portable asphalt plants, except the following:

- Lands zoned as Environmental Protection – A (EP-A), Environmental Protection –B (EP-B) and Natural Hazard;
- Lands designated as Settlement Area in the Official Plan;
- Lands situated within 150 m of an existing dwelling.

3.28 Wellhead Protection Areas

Notwithstanding any provisions of the underlying zones to the contrary, the following additional provisions shall apply to the Miller Manor Wellhead Protection Areas, as shown on Schedule A:

1. In Wellhead Protection Area A (WHPA-A) and Wellhead Protection Area B (WHPA-B) with a vulnerability score of 10, as shown on Schedule A, the following land uses are prohibited:

- Waste disposal site, as defined herein, including hazardous, municipal, and solid non-hazardous industrial or commercial waste disposal
 - Application of agricultural source material, non-agricultural source material, and untreated septage
 - Storage of mine tailings, petroleum refining waste, and liquid industrial and PCB waste
 - Wastewater treatment facilities and related infrastructure, excluding the replacement, expansion or upgrade of existing facilities.
2. In Wellhead Protection Area C (WHPA-C) with a vulnerability score of 8, as shown on Schedule A, the following land uses are prohibited:
- Waste disposal site, as defined herein, including municipal, and solid non-hazardous industrial or commercial waste disposal
 - Waste water treatment facilities involving the storage of sewage, excluding the replacement, expansion or upgrade of existing facilities.
3. In addition, all development applications and building permit applications for land uses within the WHPA-A, WHPA-B, or WHPA-C, as shown on Schedule A, other than for residential (with the exception of handling and storage of liquid fuel in WPHA-A and WHPA-B), shall be reviewed by the Risk Management Official and may require a risk management plan prepared to the satisfaction of the Township. In WHPA-A and WHPA-B, all land uses including residential, shall be reviewed by the Risk Management Official for the handling and storage of liquid fuel.

3.29 Yard and Water Setback Encroachments

Notwithstanding the yard and setback provisions of this By-law, the following encroachments are permitted:

- Sills, belt courses, chimneys, cornices, eaves, gutters, parapets, bay windows and other ornamental features may project into any yard or water setback by not more than .6 m;
- Attached unenclosed porches, open patios, decks, balconies, exterior stairs and landings may project from the main building into any minimum required yard or water setback by not more than 3 m, except that where an existing main building is non-complying in relation to the required water setback, an open and unroofed porch, deck, exterior stairs or landing may project into the existing water setback by a maximum of 1.5 m;
- Awnings, clothes poles, flag poles, garden trellises, fences, plant materials and similar accessory structures shall be permitted in any required yard or water setback;
- Swimming pools shall be permitted in a required interior side or rear yard, but shall not be located closer than 1.5 m to any lot line and shall not encroach into the required 30 m water setback.

SECTION 4 - ZONES

4.1 General

For the purposes of this By-law, the land area of the Township is divided into various generalized and specific zones to which the provisions and regulations herein shall apply.

4.3 Boundaries of Zones

The location and boundaries of the zones established by this By-law and certain requirements applicable to such zones are shown on the maps hereto attached as Schedule A. Where any uncertainty as to the boundary of any zone as shown on the

zoning schedule, the following provisions shall apply:

1. Where a zone boundary is indicated as following and is within the boundary of a street, lane, railway right-of-way, other right-of-way or watercourse, the boundary shall be the centre of such street, lane, railway right-of-way, right-of-way or watercourse.
2. Where a zone boundary is indicated as approximately following lot lines on a registered plan of subdivision, deposited reference plan or original Township survey, the boundary shall follow such lot lines. No amendment to the By-law shall be required for minor adjustments to zone boundaries shown on Schedule A where, in the opinion of the Township, such adjustments are merely for the purpose of reflecting parcel mapping information that has been modified to provide greater accuracy.
3. Where a zone boundary is indicated as following a shoreline of a watercourse, the boundary shall follow such shoreline and in the event that the shoreline changes, the boundary shall be taken as having moved with the shoreline.
4. Where any uncertainty exists as to the Flood Plain (FP) zone boundary, the boundary shall be the 1:100 flood line as identified on the relevant maps of the Conservation Authority, except where a specific (GSC) elevation is identified on Schedule A.
5. Where any uncertainty exists as to the Environmental Protection – A (EP-A) and Environmental Protection – B (EP-B) zone boundaries, the boundaries shall be as identified on the relevant maps of the Ontario Ministry of Natural Resources and Forestry.
6. Where any street, lane, right-of-way, railway right-of-way or watercourse as shown on the schedules is closed or diverted, the object of such closure or diversion shall be included within the zone of the abutting property on either side thereof.
7. Where any zone boundary is left uncertain after the application of clauses (1) through (5) above, the boundary shall be determined by scale from the original full-size zoning schedule.
8. Wherever it occurs, the municipal boundary is the limit of the zone adjacent to it.

4.4 Holding Zones

Where a zone symbol is followed by a hyphen and the letter “h”, this denotes a holding zone. Within such zones, only existing uses shall be permitted unless specifically stated otherwise in the by-law, until the “h” has been removed. The removal of the holding provision shall require an amendment to the By-law. Such amendment shall only be passed by Council when any applicable servicing, phasing or financial conditions or agreements for the lands have been satisfied in accordance with the requirements of the Official Plan.

1. The holding provision (“h”) on lands located in Part of Lot 12, Broken Front Concession, shall only be removed upon the completion of an Environmental Impact Study (EIS), prepared to the satisfaction of the Township.

4.5 Special Zones

Where a zone symbol is followed by a hyphen and a letter or a number other than “-h”,

(for example, “-x” or “-1”), the lands so zoned shall be subject to all the provisions of the zone represented by such symbol except as otherwise provided by the special provisions of that zone.

4.6 Temporary Zones

Where a temporary zone is established for the purpose of accommodating a temporary use pursuant to the provisions of the *Planning Act*, the lands so zoned shall be subject to all the provisions of the zone, except that a temporary use shall be permitted for a certain limited period of time. The zone symbol shall be followed by a hyphen, the letter “T” and a letter or a number other than “-h”, (for example, “-Tx” or “-T1”).
