MEMORIAL BENCHES

The Community Development Committee would like to ask Township residents if there is an interest in a memorial park bench project. This would mirror similar ventures in neighbouring communities where a park bench is purchased in memory of a family member or friend. A plaque is affixed and the bench is placed in the community for public use. Approximate cost is \$2000. Please contact the Township office if interested. There is no commitment at this time.

ST. LAWRENCE PARKS COMMISSION UPDATE

A dedicated Partner Links page will be created on the Township's website and will include the St. Lawrence Parks Commission. Township staff have been informed that once SLPC has completed the annual Maintenance Plan, it will be provided for placement on the Township's website. Stay tuned for more info and updates!

 <p>ATTENTION DOG OWNERS: Now that spring has sprung the By-law Enforcement Officer would like to remind you that dogs must be in the control of their owner at all times, and dog waste shall not be deposited on private or public property.
