### HELP WANTED -TOWNSHIP COMMITTEE MEMBERS

Community Development Committee (formerly Economic Development) 5-6 meetings/year

Do you have ideas or suggestions to make this community a better place to live, and a great place to visit? Are you interested in finding ways to encourage and support existing businesses, while promoting growth and attracting new development? Past and current projects include the creation of a new brand and logo, updated website, new tourism kiosk, advertising in various publications, a New Business Guide, and the Country Market. Currently we are working with other groups to plan a new tourism/public washroom building beside the Mallory Coach House.

Environmental Advisory Committee: Approximately 4 meetings/year

Do you have ideas or suggestions for other ways our township can become more 'green'? Are you interested in responsible waste management and recycling initiatives? Past initiatives include expanded recycling options, waste site access cards, clear bags, and education programs. Environmental issues are constantly changing and evolving. Help us by getting involved!

Library Board: Monthly meetings with some exceptions

Guided by the new Strategic Plan, help our library become a valued resource for reading, internet use and educational and fun activities for children of all ages. Interested persons wishing to apply to the Library Board are asked to apply in writing and drop off to the Township Office. Please include your name, address and a brief description of your interest.

Recreation Committee: Monthly meetings with some exceptions

The Recreation committee not only manages the upkeep and maintenance of the recreation park and sports fields, but provides support for Minor Ball and Soccer. They organize such events as outdoor movie night, a Hallowe'en party and other events for kids in our community. We can't continue to provide these events without your help, as there are too few members this year.

Christmas Committee: About 4-5 meetings, seasonal

This group plans and organizes the Mallorytown Christmas Parade each year, which was very well attended last December. They also hold the tree lighting event and carol sing for families, at the Township Hall. The committee needs your help, whether through sponsorship, volunteering as a member, or just helping on the night of the parade. Also, please consider submitting a float this year. Contact us at [parade@frontofyonge.com](mailto:parade@frontofyonge.com) for more information.

**For all Committee Information or contacts call the Township Office at 613-923-2251, or email at [admin@frontofyonge.com](mailto:admin@frontofyonge.com).**

## 1000 ISLANDS RIVER HERITAGE SOCIETY "MALLORYTOWN TALKS"

### **The Female Factor: The Women in the Life of Sir John A. Macdonald - Sunday, October 18<sup>th</sup> at 2:00 pm**

Brian and Renee Porter have been portraying Sir John A. and Lady Macdonald for fifteen years, all around Ontario. Wearing their 1880's finery, they will present a slide/talk about the domestic side of the life of Sir John A. Macdonald. You will hear about his mother, two sisters, two wives, two widow friends, his handicapped daughter Mary and granddaughter Daisy. Renee will read some excerpts from the diary of Lady Agnes Macdonald and from her article about riding on the train cowcatcher through the Rocky Mountains. There will be a draw for a book: Macdonald at 200 – New Reflections and Legacies.

### **The Building of the 1000 Islands Bridge – 1938 - Sunday, November 15<sup>th</sup> at 2:00 pm**

Brian Phillips is a local area historian with a special interest in the history of the 1000 Islands Bridge. Nearly 75 years later, the achievement of building the system of 5 spans for only \$3 million dollars 10 weeks ahead of schedule still amazes. In the Depression year of 1937 it was one of the largest construction projects in North America and took the cooperation of our two countries at every level to make it happen. Video and many rare photos will be used to help tell the story.
