All Residents and Property Owners

The Township of Front of Yonge has designated May and June 2015 as
"Community Clean Up Months"

Residents and property owners are asked to take pride in the appearance of their property and their community. Please make every effort to ensure that you are not in violation of the Safe Properties By-law. This by-law states that every property shall be kept in a neat, tidy and safe condition, and free from:

- a) Refuse (garbage)
- b) Long grass, discarded brush and clippings, excessive weed growth
- c) Timber, lumber, building materials or other material stored or kept under conditions that are unsafe from fire or other dangerous risk or accident
- d) Scrap or junk material including wrecked, unused, unlicensed vehicles, trailers, machinery, tools, appliances, equipment, etc.
- e) Buildings, fences, scaffolding, retaining walls, etc...in an unsafe condition or in danger from fire or risk of accident
- f) Any combustible, flammable, volatile, caustic or explosive substance unless stored under conditions that are safe and free from risk

(for the entire By-law, please contact the Township office or go to our website at frontofyonge.com)

For the removal of vehicles, appliances, or scrap metal, you may contact one of the following companies: Kane's Towing (613-659-3332), Glenview Iron and Metal (613-345-3263), KIMCO Steel Sales (1-800-267-0902).

Front of Yonge Council has authorized the By-law Enforcement Officer to conduct a Township-wide inspection, during the last week of June. Owners/residents who do not meet the conditions of the Safe Properties By-law may receive notices and be given 30 days to clean up their property. Please note that written complaints are kept completely confidential and may be submitted to the Township Office at any time. For the 2015 spring cleanup only, staff have been authorized to receive complaints by telephone or email, as long as the caller leaves their contact information.
